**Palbox
Type B**

**Expo
Type C**

- *All other citronella items are packed in trayboxes h. 10 or h. 20 cm that can be positioned into palbox "B" (¼ europallet, 2 items possible)*
- *Palbox "B" can hold 20 trayboxes h. 10 or 10 trayboxes h. 20*
- *The palbox display backboard reinforces the citronella claim and displays the products country of origin*
- *The display C (1/8 europallet) can hold 5 trayboxes h. 10, 1 traybox h. 20 and 3 trayboxes h. 10, or 2 trayboxes h. 20 and 1 traybox h. 10, for a total amount of 5 different items that can be display on a surface as small as a tile!*

WHO

One of the longest established candle factories, not just in Italy, but in the world. Founded by Abramo Graziani in 1805, and currently managed by Mario Graziani (sixth generation of candlemakers) and his wife Francesca.

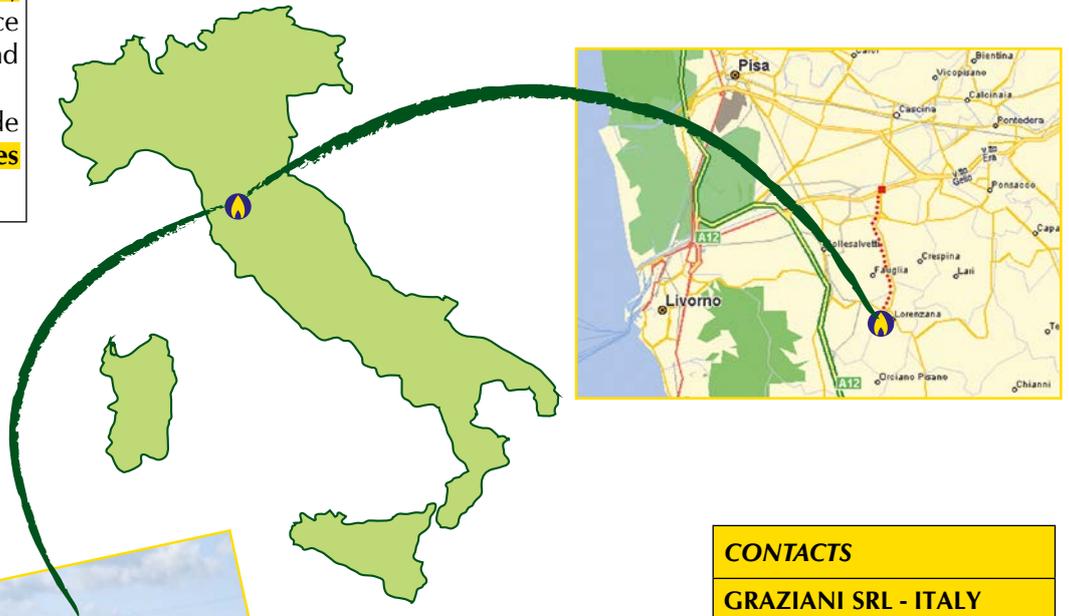

STANDARDS

Our candles comply (where applicable) with the **UNI/EN** standards for candles **15493, 15494 and 15426** with reference to fire safety, labelling and sooting.

Our scented candles are made with **IFRA certified fragrances** and **comply with REACH.**

PRODUCTION SITES

Our candles are manufactured mainly in our factory in Lorenzana, Italy. Some products are manufactured in the Far East, but designed and managed by us. We directly select the raw materials used and carry out regular inspections in all factories involved. (Our products are labelled with the indication of origin.)
